**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition, the more competition the better the price and service. Since I switch from DSL to fiber, I have enjoyed faster speeds at lower prices.
I also like the telephone service included in the package. I don't like that the telephone companies want to control the market and raise prices.
